ilā Kundalini Back Therapy

60 minutes

£80

Soothing. Restorative. Profound. Ideal for emotionally exhausted souls, this nurturing treatment has an extraordinarily restorative effect on the sympathetic and parasympathetic nervous systems. Chakra and sound healing activate and channel the Kundalini – the dormant energy at the base of the spine: tension is lifted, negativity is released, and the body is brought back to a state of awareness and balance. Individuals with stress, insomnia and exhaustion, as well as muscular back tension, will greatly benefit.

ilā Ku Nye Full Body Massage

75 minutes

£90

Tension-releasing. Harmonising. Revitalising. This Tibetan body treatment balances the five elements to restore a harmonious flow of energy and vitality. A blend of five essential oils work together to stabilise the five sensory organs, while Tibetan techniques – cupping, kneading, and hot stone/poultice acupressure – help release physical and mental tension, harmonising from the tips of the toes to the crown of the head.

Illuminating. Calming. Profound. Known as the blissful facial, this divine therapy restores natural luminance by increasing blood circulation and stimulating the free-flow of energy to facial cells.
